Montessori School of Chevy Chase

Introduction

This Handbook provides you with information about policies and procedures at MSCC. It is intended to address many of the questions our parents may have. Please read it and keep it on hand for reference. Should you need further information, please ask your child's teacher, Office Manager, Director or Assistant Director for assistance. We welcome calls, emails and all communications from parents. While we try to make this handbook as up to date as possible, please note that there may be changes from time to time. We will notify you as soon as possible.

The Montessori School of Chevy Chase provides a safe environment rich in motives for learning, enabling children to begin the process of how to learn and excel at their chosen tasks.

Our regulations, policies, and procedures are presented so that you are aware of how our school is operated and you can assist us in their observance. It is in the child's best interests when home and school work together.

Please read this handbook before your child's first day. It gives a general briefing of the school's objectives and policies. It is understood, therefore, that by enrolling your child you are in accord with the school's policies and intend to cooperate in enforcing them. Please ask questions if you are unsure of any policy or procedure.

If we find that a student or student's family is not in agreement with the aims and discipline of the school, it is understood that the school reserves the right to request the withdrawal of that student.

The Montessori School of Chevy Chase shall not disclose information concerning an individual child or the child's parents or guardians to persons other than the MSCC staff or government officials acting in the course of their duties, unless the parents or guardians grant written permission for the disclosure, or unless disclosure is necessary in an emergency situation.

What is Unique about the Montessori School of Chevy Chase?

We are a warm, welcoming, culturally diverse community in which children and adults find friendship and support. We are a school that believes in the Montessori principles and we support a child/family-centered environment. We want our children to grow into autonomous, caring, responsible citizens, life-long learners and problem solvers. Our school is a place where all are encouraged to ask questions, broaden their understanding of themselves and the world around them.

As a statement of commitment to ourselves, and the children and families of our school, we have set the following goals for our school:

- To provide a solid academic foundation in education employing the philosophy and materials developed by Dr. Maria Montessori.
- To provide a child-centered environment that emphasizes the social, emotional, cognitive, and physical development of the child.
- To assist the child in developing a positive self-image and fostering satisfying, personal relationships.
- To provide a safe, warm, secure, and rich environment in which curious young children have the opportunity to develop a favorable attitude towards learning.
- To accept each child as he is and to assist him in the development of each of his potentialities, as fully as possible in keeping with his own pattern of development.
- To assist the child in understanding that he is a part of a bigger picture and help him to become a contributing member of society.

Montessori School of Chevy Chase

Beliefs

Mission

The Montessori School of Chevy Chase is a culturally diverse community of life long learners, offering a strong academic curriculum based on the “Montessori Philosophy” fostering self-esteem, independence, empathy, and social consciousness.

Vision

For our students to be:

- Safe, happy, self-motivated and excited about learning.
- Kind and helpful to others.
- Respectful, responsible, and tolerant of differences.
- Caring for living things and the environment.
- Able to articulate their needs, meet their academic potential.
- Independent, inquisitive and self-directed.

For our staff to be:

- Caring, happy, loving and effective in their work with children, fellow staff and parents.
- Loyal to one another, our school and the Montessori philosophy.
- Role models who are positive, energetic and excited to serve every day.
- Dedicated to their personal and professional growth.
- Respectful and kind towards students, parents and fellow staff.
- Contributing and creative members of the whole school team.
- Able to place the well-being of the child first and are strong advocates for children.

For our parents to be:

- Willing to believe in their child and show faith in the child's innate ability.
- Supportive of the Montessori philosophy and committed to our staff and school community.
- Motivated to learn and grow as caregivers and open to feedback and recommendations.
- Involved in their child's education and school.
- Able to communicate the needs of their child.

Goals

As a commitment to ourselves and the children and families of our school, we have set forth the following goals:

- To provide a solid academic foundation through the Montessori philosophy.
- To provide a child-centered environment that emphasizes the social, emotional, cognitive, spiritual and physical development of the child.
- To assist the child in developing a positive self-image.
- To provide a warm, safe, secure, peaceful and rich environment where children have the opportunity to develop a love of learning and independence.
- To accept each child as he is by assisting in the development of his potential as fully as possible, in keeping with his own pattern of development.

Administration

Director: Marlene Cherry
Assistant Director: Carol Rothman
Office Manager: Lauren Peebles

Educational Staff

Primary 1 Teacher: Carol Rothman
 Assistant: Stacy Balbin

Primary 2 - French Teacher: Nathalie Cataisson
 Assistant: Sarah Allen
 Assistant: Reshmee Mohabirsingh

Primary 3 Teacher: Marlene Cherry
 Assistant: Amal Cikatelli

Toddler 1 Teacher: Ellie Pfefferman
 Assistant: Gabrielle Mann

Toddler 2 Teacher: Chulani De Silva
 Assistant: Roxana Ortez

Extended Day Teacher: Cristie Crespo
 Assistant: Katie McHenry
 Assistant: Karim Hafizov

Montessori School of Chevy Chase

Programs

The Director and Assistant Director are responsible for all school pedagogy. They decide on class size, placement of students, curriculum, schedules and selection and placement of staff.

We Provide

- A safe, calm, happy, and academically challenging environment.
- Optional after school enrichment activities – Soccer, Yoga, Music, Karate and more.
- MSCC tries to accommodate the needs of all children with or without special needs.
If the school is not equipped to accommodate any child, we will do all that we can to help meet the needs of the child and/or help the parents find a more suitable placement.
- We work with DC Early Stages to help ensure that your child is given every opportunity to succeed and develop to their full potential.

Hours of Operation

- Open Year Round: September – August
- All Programs are Monday – Friday
- 8:00 am – 8:45 am Early Arrival
8:45 am – 1:00 pm Half Day
8:45 am – 3:30 pm – School Day
8:45 am – 6:00 pm Full Day
- Holiday's, Staff Development Day's and vacations are noted on the official school calendar. There may be changes due to unforeseen circumstances, conflicts or emergencies. We apologize for any inconvenience.
- ***Inclement Weather Procedures:***
Check NBC Television News or the NBC News Website for closings.
Call Mrs. Cherry at 301-530-0603 or 240-498-3545.
Check school email.

Toddler Classes

18 months to 3 years

Our Toddler classroom offers a nurturing, safe environment where children 18 months to 3 years old develop social skills, gross and fine motor skills, and independence. It is a relaxed comfortable community where each child is allowed to choose his or her activities and follow his or her own interests. The materials are inviting, the teachers are loving and nurturing, and the children are encouraged to take the time they need to do things independently.

Toddlers have a great sensitivity to language, spatial relationships, music, art, social graces, and more. They are exposed to this rich environment where their brain literally will develop a much stronger and lasting ability to learn.

Language is an integral part of the Toddler classroom. They are exposed to books, objects, and pictures for naming, as well as conversation with their teachers.

The Toddler Program promotes respect, kindness, and responsibility. It invites children to pursue their natural curiosity, encourages independence and creates joyful, confident learners.

Montessori School of Chevy Chase

Primary Classes

3 years to 6 years

Children in the Primary Program possess what Dr. Montessori called the “Absorbent Mind,” the ability to absorb all aspects of one’s culture and environment without effort or fatigue. As an aid to this period of the child’s self construction, individual work is encouraged. The following areas of activity cultivate the children’s adaptation and ability to express and think with clarity: Practical Life, Sensorial, Language/Reading, Mathematics, Geography, Science, Art, Music and Grace and Courtesy as well as daily French instruction for all Kindergarten students.

The Primary classroom is a three-year cycle through Kindergarten to allow for both individual and social development. The more experienced children share what they have learned with the younger children. Each child’s unique personality is encouraged; each child is respected as an important member of the community.

The children develop an appreciation for the world, while becoming responsible, compassionate, kind human beings and active members of a harmonious society.

Primary French Immersion Class

3 years to 6 years

We offer a Full French Immersion Program with Mrs. Cataisson, the Lead Teacher from September through June. During July and August, the class continues in French with the Assistant Teachers in charge. Children who nap/rest in the afternoon and are in school from 3:30 to 6:00 are integrated with the children from the English speaking classrooms.

First Grade

Children 6 years of age are in an Elementary Program within the Primary Class.

Napping Policy

All children under the age of 4 years old will go to the napping/resting room from 1:15 – 3:30. Children who wake up from their nap, will do quiet activities with the nap room teachers.

Montessori School of Chevy Chase

Policies and Procedures

Your Child's First Day

- Starting school is a big step in a child's development. Like learning to walk or talk, it is natural and good and should not be talked about or anticipated too much.
- When you arrive at school, say a cheerful good-bye, and leave your child in the care of the staff.
- A matter-of-fact approach helps the child feel more secure and will help the separation go more easily.

Arrival

- The school day begins at 8:45 for all children except those registered for early arrival at 8:00AM.
- Children should arrive with enough time to hang up their own belongings, put on their own slippers and greet their teachers and friends and begin work. **Please allow them to do these things on their own.**
- It is important for your child to arrive at school on time. Lateness disrupts your child's day and is a disruption for the school in general. Children who arrive late very often have trouble acclimating to the day. Their teacher may be giving a lesson and not able to stop and greet them.
- Please make sure you personally hand your child over to a staff member before leaving. They must be escorted into and out of the building for their protection and safety.
- If you bring your child inside, please sign her/him in.
- If you would like to speak to your child's teacher, in the morning, please come between 8:00 and 8:30 so that the teacher has time to talk with you. Once it is 8:45, teachers must greet and concentrate on their students.
- Early arrival is from 8:00 to 8:45. If your child is not enrolled in before care and arrives earlier than 8:45 you will be charged a flat rate of \$14.
- **"Curbside Drop Off 8:40 – 9:00" on Jocelyn Street is preferred over bringing your child inside. This promotes independence and self esteem. Do not park and leave your car unattended in the drop off area. Parking is illegal in this area and you will be ticketed by the police or parking enforcement.**

Dismissal

- Children will only be dismissed to a parent or a designated person who has been authorized, in writing.
- If your child is to be dismissed to an adult who has not been previously authorized, or another family, you must provide the school with a written, dated, and signed note.
- Children are dismissed from their classroom.
- **Parent or authorized caregiver must sign child in at/out in our "Sign In/Out Book."**
- If you would like to speak to your child's teacher after school, please inform the Office Manager.

Attendance/Absence

The importance of regular attendance cannot be overemphasized. Please notify the school if your child will be absent or late (arriving later than 9:00 AM.)

Health/Illness

If your child has contagious symptoms that can lead to the spread of infection, please notify us ASAP, and keep your child home.

These may include but are not limited to:

- Fever
- Symptoms of an obvious contagious disease (pink eye, ringworm, head lice, etc.)
- Open lesions, which cannot be covered (serious burn, poison ivy, etc.)
- Diarrhea or Vomiting

If your child is unable to function at home, but has no clear diagnosis of illness, it is still always best to keep your child at home. Children should come to school ready to work – physically and emotionally.

Montessori School of Chevy Chase

Children may return to school, following an illness, when:

- They have been fever-free, diarrhea free and not vomiting for 24 hours.
- When a contagious disease has concluded, with no symptoms.
- When medication for certain diseases has been in a child's system for the required minimum amount of time, AND symptoms are gone (strep throat, pink eye, other antibiotic-treated types of illness, etc.)

Arrival Health Screening

Staff informally screens students daily for entrance to school. If it is determined that a child is too ill to remain at school, we will request that the child return home to minimize the unnecessary spread of infection at school.

Health and Dental Forms

- An up to date official DC Health Form, signed by you and your child's doctor must be on file prior to a student's first day of school.
- Health forms must be updated annually, according to your child's date of physical and immunization dates.
- Lead and TB tests must show results.
- Children with expired health forms may not attend school.
- All children age three and up must also have a complete and updated dental form on file.

Other Medical and Emergency Information

- Parents must give us three Emergency Contacts other than the parents. Please be sure the three contacts on your Enrollment Agreement are up to date. Make sure your emergency contacts are listed on your pick up form as well.

Medical or Dental Emergencies

In case of a medical or dental emergency, the school will make every effort to contact the parent or legal guardian first. In the event that we cannot reach a parent, we will contact the alternate person designated on the Emergency Form. In the case of serious medical emergency, 911 will be called first and your child will be transported by ambulance to the appropriate hospital.

Student Medical Conditions

We encourage parents to be clear with the school regarding any of your child's health issues. For the best possible consistent awareness and intervention, provide clear information **in written form**. Keep the school abreast of any changes in your child's medical condition, especially allergies. To protect family confidentiality and MSCC, please be clear in writing, regarding with whom we may share medical information regarding your child.

Allergies

- Please notify the school of any food or other allergies your child presently has or develops.
- Our school strives to be a "NUT FREE ENVIRONMENT." Even if your child is not allergic to any nuts, **please do not send** any nut products for lunch or snack.

Medication

- Prescription medications must be in new unopened original container and display a medication schedule and possible side effects. A signed physician's note must accompany the medication, detailing such information. Give any prescription medication to the Office Manager. **DO NOT** put it in their lunch box, back pack, in or on top of their cubbies. The school will make the final determination as to whether we will dispense the medication.
- If your child has any medication that needs to be administered we will also need a Medical Authorization Form and doctor's note prior to school. The form may be downloaded from the school website: www.chevychasemontessori.com.

Montessori School of Chevy Chase

- Non-prescription medication must also be given to the Office Manager, not put in their lunchbox, back pack, in or on top of their cubbies.
- A parent signed note must accompany non-prescription medication, indicating:
 - Diagnosis for the medication.
 - Medication schedule.
 - Possible side effects to look for.
 - Whether the child is contagious while on the medication.
- Personal Care Items such as sun screen, bug repellent, diaper ointment or any other over the counter ointments, creams, etc., will only be applied if you have initialed consent on your Enrollment Agreement.

Emergency, Evacuation and Disaster Plan Procedures

Route Taken Away from the School

- The Director or other responsible staff member in charge at the time of the emergency will determine if there needs to be an evacuation from the school.
- Everyone will exit the building through the main school exit door, on Connecticut Ave. & Jocelyn St., walking away from the school towards Wisconsin Avenue.
- If for any reason this route is not a safe route, we will immediately determine the best route of safety and continue away from the school.

Emergency Procedures for Transporting Children Away from the School

The School has an Emergency Evacuation Plan outlined below:

We Will:

- Gather the children as quickly as possible without causing undue stress.
- Use calm voices at all times to assure children that they are safe and secure.
- Exit the building using the safest possible route as above.
- Take our cell phone, attendance book, and emergency cards with us.
- Take the students to the closest area of safety.

The Office Manager or designated staff member will leave last checking the school area to make sure all staff and children have been evacuated and place an emergency evacuation sign on the exit door.

Arrangements for the children will be made in accordance with the emergency. Parents will be notified by cell phone of these arrangements as soon as possible.

Emergency Contacts, Change of Address or Telephone Numbers

- Please notify the school promptly of any address, telephone or email changes.
- Make sure your emergency contact information is up to date.
- Make sure we have your best phone number to reach you at in case of emergency.

Birthday Celebrations

- Birthdays are celebrated at school with a simple ceremony, which honors the life of the child and helps the child to understand both the passage of time and the gift of living.
- If you so choose, we encourage you to allow your child to give to others on this day. Some ideas are donating a book or other item to their class in honor of their birthday. Should this be your wish, please involve your child in the selection of the birthday gift.
- You may send fruit salad or small muffins to share with the class; however, it is not necessary. Please do not send in cake, cookies, or cupcakes.
- Birthday invitations and gifts should remain family matters and should not come to school. It is important that the feelings of all children at school not be hurt in any way because of not being invited to a party.

Montessori School of Chevy Chase

Lunch

We incorporate nutrition, manners, appropriate behavior, set up, & clean up as part of our daily lunch routine. In keeping with this policy, we expect children to bring healthy nutritious choices for lunch.

- No candy, chocolate, chips, cookies, or gum.
- No yogurt in squeeze containers (Gogurts.)
- No juice boxes. We provide water.
- Label lunchboxes, containers, thermoses, etc.
- Use containers and thermoses that your child can easily open.
- Lunches should be simple and easy for the child to eat independently.
- We do not refrigerate or heat up children's lunches.
- Please do not send in too much. An example of a healthy lunch is 1 protein, 1 veggie, 1 carbohydrate, 1 fruit.
- We provide plates, cutlery, cups, and water. Do not send in plastic spoons, forks, or Sippy cups.
- No Lunch Boxes with cartoon characters / Super Hero Characters please.

Snack

- Parents provide snack on a weekly rotating basis.
- You will receive a snack list from your child's teacher with information and suggestions.

Dress Code

All children are required to wear "Land's End Shirt's" with our school logo every day. These can be any solid color with long or short sleeves. Children can wear their own bottoms.

- Clothes should be appropriate to the child's growth and independence. Buttons, snaps, etc. should be easily manipulated by the child. Elastic waistbands are recommended for all toddler children.
- Clothes should be simple, washable and items that you do not mind getting dirty with paint, glue, etc.
- Costumes may not be worn during the school day as they are a disruption to the class.
- Clothes should be easily removable by the child so that he can take care of restroom needs independently. (Suspenders, belts, and overalls are difficult for young children and elastic waists are a good choice.)
- Clothes, slippers, and shoes should be plain with no distractions such as cartoons, power figures, or lights.
- Send in a change of clothes according to the weather and season.
- Sneakers or other rubber-soled shoes are recommended for the playground.
- Boots should be large enough so even the youngest child can put them on & take them off independently.
- **LABEL ALL** of your child's belongings, including change of clothing, sweaters, hats, coats, boots, scarves, mittens, shoes, lunchboxes and water bottles.
- Write initials on the inside of the school shirts.
- If a soiled change of clothes comes home, please send in a replacement the following day.

Personal Items and Treasures from Home to School

- No toys, candy, gum, jewelry, watches, etc. to school. Please discuss this with your child in advance.
- They are a distraction and usually get lost, misplaced, or broken.
- An item from nature, a family photo, a cultural item, etc. are more appropriate items that your child may share with the class.
- We will not be responsible for any personal items lost or damaged at school.
- If your child comes home with any school items, please send them back to school.

Lost and Found

- Please notify the school if you discover your child is missing an article of clothing such as a hat, gloves, etc.
- Items without names that are not claimed within a month will be donated to charity.

Montessori School of Chevy Chase

School Referrals

We will complete 2 referrals per child without charge. Any subsequent referrals will be billed at \$25. per referral.

Parent Participation and School Activities

- Parents are encouraged to participate when they can. There are many opportunities for contributing. Please ask your child's teacher how you can be of help. We appreciate you!
- Our school functions are an important part of our school and we hope that you attend. The children enjoy seeing you participate in their school.
- For the safety of all children, we ask that you keep your younger children close if you are attending a school function designated for all so that you can monitor their behavior and safety.
- Parent education nights are set aside for you so that your total attention and focus will be on the specific parent activity. We have childcare available on parent evenings when we can.
- "Parent/Child Night" is an event where parents and children attend and you work alongside your child.
- The Winter Program and the Spring Program are school events for all families. They are from 9:00AM – noon. Please check the school calendar and make note of the days. School is closed after the event and all children will go home with their parents at noon. If you cannot attend, please notify the school and keep your child home.

School Fundraising

- Fundraising is a regular and necessary part of the life of all schools as it plays a key role in balancing a school's budget and providing luxury items for the students. We rely on the efforts of our parent community to assist us in making our school the best that it can be.
- We try to limit these fundraising activities to community building & educational events rather than selling.
- Please let us know of any great ideas you may have.
- We appreciate your support in these endeavors.

Transportation/Field Trips

- We do not take children on field trips.
- We do not use any form of transportation to transport the children in our school. In the event of an emergency, the school follows our "Emergency, Evacuation and Disaster Plan."

Fire Drills

- We are required to hold monthly Fire Drills by the DC Dept. of Childcare and Licensing and the DC Fire and EMS Department.
- All children are escorted outside by the entire staff. Attendance is taken. Once the school is cleared, we return inside.

Class Pets

- Each individual class may have various class pets from time to time.
- They include fish, hermit crabs, turtles, hamsters, lizards, and other small child-friendly animals.
- Please alert the school if you have any pet-related concerns.
- Also, if you would like to take home a pet during holiday breaks, let us know.

Unusual Incident Reports

- DC regulated "Unusual Incident Reports" are recorded and kept on file for any child who has an accident or becomes sick while during school hours.
- This report includes but is not limited to bruises, cuts, vomiting, bites, etc.

Class Room Parents

- We would like to have two room parents per classroom. Please let us know if you are interested.
- Teachers will alert room parents of any special needs and activities of the class.
- The room parents in turn will notify the other parents in the class.
- Room Parents also coordinate and run school wide events such as the winter and Spring Programs.

Montessori School of Chevy Chase

Communication

Parent Communication

- A school calendar with all school events is located in the school office area and on our school website.
- Contact the Office Manager if you need to speak to your child's teacher.
- Weather related school closures are listed on NBC morning news (www.nbcwashington.com.)
- There is a "Communications Board," located in the office area for school info and to allow parents to share information, put up for sale signs, ask for items you might need, or ask about nannies, etc.
- Classroom Snack Lists are located on the bulletin board in the office area.

Flow of Communication

- Academic Development: Questions regarding a particular area or concern should be directed to your child's teacher. Please do not question an assistant about your child's academic progress.
- Administrative Issues: Absences, calendar days, school events, school forms, meeting requests, observation appointments, billing, etc. should be directed to the Office Manager.
- Special Confidential Matters: These items should be addressed with the Director or Assistant Director.
- Parents who have any concerns should use the proper channels to resolve the situation. First, talk to your child's Teacher. If you cannot come to a resolution, then talk to the Director.
- Please email the teacher or call the school to set up a meeting at any time during the year. We will be happy to schedule a time that does not take time away from the children.

Telephone, Email and Written Messages

- If you have an emergency or important message, and cannot get through on the school phone, call Mrs. Cherry's cell phone 240-498-3545.
- Otherwise, leave voice mail on the school phone and we will get back to you ASAP or send an email to the Office Manager and she will get back to you.

Parent/Teacher Conferences

- There are two parent/teacher conferences during the year, one in the fall and one in the spring.

Classroom Observations

- Observing your child in the classroom is always a wonderful way to see your child at work.
- You may schedule an observation starting in October.
- In order to get the most out of your observation, notice the class as a whole as well as your own child.

Discipline and Grounds for Dismissal

All children are treated with dignity and respect by MSCC staff. No corporal punishment of any kind is tolerated. We utilize natural consequences and redirection. We take a pro-active rather than reactive approach. If a child is treating others with disrespect of any kind, be it verbal, or physical, they are removed from the area and helped to calm down. It is vital that this be a safe haven for all the children and staff. If a child has repeated difficulties, the parents will be asked to come and assist the staff in creating a behavior plan for the child. However, if the behavior continues, the child will have to remain home until it is resolved. Biting or hitting is not tolerated. A child who has bitten 3 times will be sent home until this problem is resolved. Other severe behavior problems will be dealt with in the same manner.

We reserve the right to dismiss a family for the following reasons:

- Falsification of the child's age, outside the school's license age limits.
- Continual behavioral difficulties, following the implementation of a behavioral action plan.
- Failure of the family to follow an agreed upon behavioral plan of action.
- Slanderous and inappropriate behavior by the parents towards the school.
- Failure to comply with the policies, procedures and admission agreement of the school.
- Failure to pay tuition payments in a timely manner.

Montessori School of Chevy Chase

Montessori Philosophy

Dr. Montessori said, "A child's work is to create the man he will become...a child's work is to perfect himself." If the child is to become a happy self-confident, effective individual, experiences in his formative years must afford both challenge and success. The Montessori child can work at his own pace, in a non-competitive atmosphere.

- Multi-age classes allow younger children to gain from the knowledge and experiences of the older children, while they in turn reinforce their knowledge by helping the younger ones.
- Montessori learning involves the use of many didactic materials.
- These materials cultivate the child's own desire to learn, giving the keys necessary to explore the world.
- The teacher's task is to be the link connecting the child to those keys and encourage progress in using them.
- The teacher prepares the environment, observes both individual and group needs, and guides the child to learn independently.

Elements of Montessori Education

Prepared Environment

- One in which each student can develop abilities and strengthen areas of challenge.
- Where giftedness is matched via the curriculum and community opportunities.
- Where challenged areas are identified and given individual focus.
- One which promotes individual success.
- Where materials are designed for individual not group lessons.
- Where there is an individualized curriculum, meeting students in their academic "place."
- Where there are self correcting materials, including self correcting ungraded assignments.
- Where there is continual refinement of skills, through repetition and graded intensity.
- In which classes are interdependent.
- Where older children work together with younger children in a sharing, caring and educational relationship.
- Where the environment meets the needs of each child and is child centered.
- Where the environment calls to and reaches out to the child, enabling him to learn.

Self-development of the Child

- Peer instruction to challenge and develop leadership skills.
- Practical life education where children are prepared for life, from pouring exercises, repair, etc.
- Individual academic education and development plan created for each student.

Concrete Educational Materials

- Self-correcting, educational, hands-on Montessori materials.
- Concrete learning vs. generic textbooks and busy work through paper dittoes.
- Materials are multi-leveled to allow for repetition and challenge.

The Montessori Teacher

- Helps and directs the child toward self-learning.
- Is the link between the student and the learning environment.
- Guides the activity & motivation of the student toward the accomplishment of their goals.
- Seeks to enable every student to develop their own capabilities to their fullest potential.

Montessori School of Chevy Chase

A Spiritual Connection to the World from Within

Dr. Montessori believed that as important as the physical development is to life and the body, psychic development is to the mind and spirit of a child. Some define spirituality as “the peace one feels with oneself and the outside world.” Apart from one’s religious connection, which is personal and respected for each family, the spirituality of a child involves their heart and inner spirit. Appreciation for living things and understanding one’s feelings & those of others are concepts which can only be experienced through emotional nourishment, patience and unconditional love.

In keeping with this philosophy, MSCC will strive to maintain a spiritual understanding of oneself and others. This is manifested through our appreciation for what we have, both tangibly and intangibly; care and concern for others; love, appreciation, courtesy, understanding and to have respect for ourselves and those around us.

How Might this Spiritual Emphasis Manifest Itself in the Classroom?

- *Tone of the Environment:* A Montessori classroom, while busy, is also generally, calm and orderly.
- *Slowing Down of Classroom Life:* Taking time to hear the differing sounds of nature, enjoying the repetition of a pouring exercise, quieting and calming exercises, meditative thoughts about those we love, carrying things one at a time, working on a rug, enjoying snack with a friend, quiet music.
- *Development of Care for Living and Non-Living Things:* Cleaning the leaves of plants, mending a torn book, stopping when someone is hurt, returning materials as one found them, beauty in the environment.
- *Gentleness of the Teacher:* Eye contact, speaking at the child’s level, patience, a calm quiet voice.

The MSCC is strongly committed to a richly diverse school community and seeks students and staff from all different racial, cultural, religious and economic backgrounds. MSCC does not discriminate on the basis of race, religion, gender, disability, national or ethnic origin, political affiliation, or sexual orientation in our admissions and any other school policies.

Montessori School of Chevy Chase

Tuition Policy

Montessori School of Chevy Chase Terms and Conditions

- Children are accepted for the entire year.
- Tuition is for the entire year, as outlined in the current school calendar from August 29, 2016-August 11, 2017
- Under no circumstances will a reduction or credit be granted for a voluntary withdrawal or absence of any kind including vacation, illness, professional days, inclement weather, holidays, or any other reason.
- All payments are expected promptly when due through FACTS Tuition Company.
- Tuition is paid via your checking account or credit card through FACTS.
- Families are responsible for all late fees and service charges. Late payments will result in additional fees assessed via FACTS plus a fee of \$25.00 will be charged if a submitted check is returned for any reason.
- Should an account reach 90 days in arrears the child may no longer attend school until the account is current.
- All tuition must be paid in the agreed upon payment plan schedule.
- Failure to abide by the payment policy is a breach in the tuition agreement.
- In addition, parents will be responsible for all costs of collection, including court expenses and attorney's fees, should legal action be required to enforce the agreement.
- Payment Options:
 - One full payment due on September 1st
 - Full year tuition divided into 12 installments through FACTS Company.

NOTE: Please read the enrollment contract before signing it. Your signed enrollment contract is binding and the school shall enforce its' terms through legal means if necessary.
